IZB – The market place for automotive competence

— The International Suppliers Fair (IZB) is Europe's leading fair of the automotive supplier industry. It is also a thriving international market place where the latest trends and innovations in the industry are showcased. The IZB has shaped up to become a hot spot for the automotive supplier industry worldwide offering abundant opportunities to meet and network. The IZB 2010 will take place from 6th – 8th October 2010 for the 6th time in Wolfsburg, headquarter of Volkswagen Group, the largest European automotive manufacturer. Partner countries of the IZB 2010 are the USA and Canada.

A large number of leading national and international suppliers meet at the fair, taking advantage of the unique communication and business platform in order to establish important business links with high-level representatives from Volkswagen Group, suppliers from Germany and abroad as well as other automobile manufacturers.

Aim of Business Matching IZB 2010

— The brokerage event at IZB 2010 enables exhibitors and visitors of the fair to find partners for technological and commercial cooperations, e.g. product development, research & development, joint ventures, manufacturing, marketing and/ or licensing agreements.

Companies, universities and research institutes are again invited to use this opportunity to establish new cross-border contacts for future collaboration in the framework of IZB 2010.

How to participate

— Register and submit a collaboration profile online at: www.izb2010.b2bmatchmaking.com

Profiles are published in a constantly updated online catalogue.

Participants select interesting profiles from the catalogue and request meetings with selected partners. If confirmed, a 30-minute meeting is scheduled by the network staff. Individual schedules will be sent out to the participants before the start of the event.

All meetings take place from 7th – 8th October at the Business Lounge, Hall 3 at IZB fair.

For support, you can find your local network partner at www.enterprise-europe-network.ec.europa.eu
